About Connaught Pods

With over 25 years in the Building Industry, we have now seen the need for change in the way people live and are applying our years of experience into affordable, practicable, efficient Pods to meet the market demand in this climate of change.

We have put together a team of local experienced professional skilled tradesmen and reliable suppliers who have served us well in the past and present to construct our Pods to the highest standards to meet our clients expectations.

We deliver to both Ireland and UK.
